

FOR IMMEDIATE RELEASE

## Vixio Announces the Finalists for the 2026 Global Regulatory Awards

**LONDON, 15 September 2026** — [Vixio](#), a leading provider of regulatory change management and compliance solutions, has unveiled its shortlist for the 2026 Global Regulatory Awards (GRAs). Celebrating a "Decade of Diamonds," the GRAs continue to recognise and honour the exceptional achievements of individuals, teams, and organisations across regulated industries that have demonstrated excellence in compliance, corporate social responsibility, and safer gambling.

This year's awards feature 20 distinct categories, highlighting 175 finalists with more than 100 unique organisations represented.

The complete shortlist for the 2026 Global Regulatory Awards can be [found here](#).

The 2026 recipient of the [Compliance Lifetime Achievement Special Award](#) sponsored by [Soft2Bet](#) will be announced separately before the Global Regulatory Awards ceremony.

*"Congratulations to all of this year's finalists. Achieving a place on the shortlist is no small feat, especially in our most competitive year yet," said [Christian Erlandson](#), Executive Chair & CEO of Vixio. "Having attended the Global Regulatory Awards in previous years, before expanding my role to include CEO at the start of 2026, it is particularly exciting to witness the event's remarkable growth. As we celebrate our special 'Decade of Diamonds' milestone, this year's shortlist demonstrates just how seriously the industry takes compliance and safer gambling."*

Celebrate ten years of excellence at the Decade of Diamonds presentation on November 18, 2026, hosted at London's iconic Grand Connaught Rooms, the historic home of the Global Regulatory Awards.

To mark this landmark anniversary, we are preparing an extraordinary evening. Due to overwhelming demand, final tables are rapidly being reserved.

### About Vixio

Vixio is the single source of regulatory truth for the gambling, payments and banking sectors. We empower firms to transition from reactive firefighting to proactive strategy through a unified Regulatory Change Management platform. By bridging the gap between intelligence and execution, Vixio delivers three core value pillars: expertise by providing analyst-curated, AI-powered foresight to ensure you never miss a critical update, enablement by accelerating business growth and operational efficiency to move compliance from a bottleneck to a growth engine, and evidence by establishing total operational defensibility through automated mapping and board-ready reporting.
